## Important information about early crating and setup -- PLEASE READ!

The building will be open for crating at 1 pm on Wednesday January 24. For the Club to ensure there are plenty of workers to setup the rings, we will allow early crating for workers who help with unloading and ring set up. We know that some people like to drop by the trial site early to set up their crating areas, but don't have the time or ability to help with ring set up. NDTC will once again allow early crating for a fee of \$10 per mat.

We will have committee members at the site to monitor the entrance door, collect money, and keep the names of the volunteers willing to help prepare for the trial.

This is a combined event, so crating will be tighter than usual. Please conserve space so we can fit everyone in! If necessary, we may consolidate crating to fit more folks.

Remember – no crates, no dollies, and no dogs are allowed in and out the front doors of the building per Ag Center rules.

**We need help** - We will also need people to stay after the trial is over on Sunday afternoon to pack up all the equipment. You will receive worker bucks and be included in another drawing for one free day of entries for any NDTC obedience trial for the next year.

If you can spare some time to help us prepare for the trial we will so appreciate your contribution. Any NDTC members needing volunteer hours, this is a great way to set them completed and get paid for your time. Thank you in advance for any help.

**Directions to the Trial Site**

If you use two 30 amp spots, or a 30 amp and a 20 amp to create a 50 amp connection, you will be charged for two spots, or \$40 per night.
